2017 GLIDE TOURING COLLECTION

▲▲ ALL-AROUND WAVE, WIDEBODY, CLASSIC, TOURING

A great fit for a wide variety of riders, the fast and easy-to-paddle Glide Touring boards provide enhanced directional stability, making them the ultimate choice for all-around SUP touring. The outline—with its wider nose and tail—

increases stability in a variety of conditions. Its displacement bow effortlessly pierces through chop, while a deep single-concave tail creates added directional stability, enabling riders to complete more strokes per side. In addition, even
